

Tuesday February 24th – Wednesday February 25th State of the Union Week Voting Summary

Vote 1:

Motion to Suspend the Rules and Pass H.R.6329

H.R.6329 - Information Quality Assurance Act of 2025

- This bill requires the Office of Management and Budget to revise the guidelines for federal agencies with respect to the dissemination or use of influential information or evidence, which means information or evidence about which an agency can reasonably determine that reliance on or dissemination of has, or will have, a clear and substantial impact on important public actions, policies or statements, or on important private sector decisions.
- Result: **Passed**

Vote 2:

On Motion to Suspend the Rules and Pass S.2503

S.2503 - ROTOR Act

- This bill addresses aviation safety by increasing requirements for aircraft tracking and communication using Automatic Dependent Surveillance-Broadcast (ADS-B) technology and expanding oversight. ADS-B allows for broadcasting (Out) and receiving (In) transmits information (e.g., location and weather information) between aircraft and air traffic control.
- Result: **Failed**

Vote 3:

On Ordering the Previous Question to bring H.Res.1075 For a Vote

- This procedural motion moves the business of the House onto consideration of the Resolution H.Res.1075.
- Result: **Passed**

Vote 4:

On Agreeing to the Resolution H.Res.1075

H.Res.1075 – Rule Providing for Consideration of H.R.4626 and H.R.4758

- This resolution governs the rules for debate and consideration of the two major bills considered this week: H.R.4626 - Home Appliance Protection and Affordability Act and H.R.4758 - Homeowner Energy Freedom Act.
- Result: **Passed**

Vote 5:

Democratic Motion to Recommit and End Consideration of H.R.4626 - Home Appliance Protection and Affordability Act

- This procedural motion, if passed, would prevent consideration of H.R.4626 and send it back to its committee of jurisdiction.
- Result: **Failed**

Vote 6:

On Passage of H.R. 4626, Home Appliance Protection and Affordability Act

- This bill reforms EPCA to prohibit the Secretary of Energy from altering or implementing appliance energy conservation standards that are not technologically feasible or economically justified, adding duplicative and burdensome requirements that do nothing to actually improve efficiency or lower costs – all while empowering future administrations to revoke existing regulations.
- Result: **Passed**

Vote 7:

Democratic Motion to Recommit and End Consideration of H.R. 4758, Homeowner Energy Freedom Act

- This procedural motion, if passed, would prevent consideration of H.R.4758 and send it back to its committee of jurisdiction.
- Result: **Failed**

Vote 8:

H.R. 4758, Homeowner Energy Freedom Act

- While framed as a way to protect consumer choice, this bill guts three popular Inflation Reduction Act provisions related to the energy efficiency of home appliances designed to unlock the clean energy economy and cut down average costs.
- Result: **Passed**
